

REMARKS

Claims 1, 5-7, 9-11, 13, 15-16, 19, and 21-26 have been amended. Applicant respectfully requests that the cotton cultivar experimental designation of 03Q301DR be changed to the commercial designation of DP 543 BGII/RR. Both the 03Q301DR and the DP 543 BGII/RR designations are for the same cultivar. These amendments are not intended to narrow the scope of these claims. It is believed that none of these amendments constitute new matter.

In view of the above amendments and remarks, Applicant respectfully requests examination and early notice of allowance.
